Lucci®

THE EXCLUSIVE LUXURY OF LUCCI

Exclusive to Beacon Lighting for over 30 years, Lucci is renowned for its superior quality and focus on technology. Hundreds of new Lucci products are developed each year, including pendant lights, lamps, bulbs and exterior lights to suit every home and budget.

Fanaway is a revolutionary Australian design that has taken the world by storm. With one flick of the switch, Fanaway transforms from a sleek sophisticated pendant light into an energy efficient ceiling fan. The secret lies in Fanaway's unique retractable blade technology. Turning the fan on creates a centrifugal force which deploys the distinctive blades to circulate air within a room. Switch it off, and the fan blades automatically retract and conceal, creating a clutter-free overhead environment. Hidden away, the blades accumulate less dust and offer an unobtrusive design aesthetic. Using superior quality materials and finishes, Fanway sets a totally unique standard in form and function.
