

## Lucci Air Climate III 52-inch Black DC Ceiling Fan

\$349.00

### DESCRIPTION

Lucci Air Climate III 3 Blade 52 inch DC fan in black with reversible aged wood/Matte black blades, complete with 6-speed remote control. Optional light kit sold separately (21064401). The Lucci Air Climate III is a DC (direct current) ceiling fan that uses approximately 40% less electricity while producing high airflow and silent motor operation. The Lucci Air Climate III is only operational via the included 6 speed remote control, which includes a convenient wall holster. You will never lose your remote again. Winter/Summer mode allows for added comfort all year long. The simplicity in design and 2 looks with reversible blades gives this fan a designer appeal. Being an indoor only fan, the Climate III would be perfect to use in a medium to large size bedroom. **HIGH QUALITY & MULTI-SPEED** - Contemporary and customizable, the 3-blade Lucci Air Climate III is the ideal indoor ceiling fan for residential or commercial use. Remote controlled, light-adaptable and quiet, this fan combines the best of functionality, sustainability, and design. **MODERN & SUSTAINABLE** - Black blades and fixtures help this contemporary fan accent your space. This fan uses DC Technology and approximately 40% less electricity whilst producing the same airflow, with silent motor operation. Crafted with durability in mind, this model will bring a modern touch to any room for years to come. **REMOTE CONTROL & TIMER** - This fan's remote control comes with a timer function for customization and efficiency. Equipped with a 6-speeds, wall holster, reverse function and natural wind button which adjust the airflow from 1 (low) to 6 (high) with one touch. Also an innovative anti-burglary function, you can program an automatic timer so your light kit (sold separately) will turn on and off every 2 hours. The 3-bladed energy-efficient fan combines modern finishes with innovative features. Please note that DC fans are not compatible with AC **REVERSIBLE MOTOR** - Change the direction of this fan's motor with the flick of switch to save energy and cost. Switching the blade direction to anticlockwise pushes warm air up against the ceiling and down the walls, proven to reduce heating costs by up to 10%. **USER-FRIENDLY** - As an indoor only fan, the Climate III would be perfect to use in a medium to large size bedroom. Plus, the DC technology motor limits noise for whisper quite function and with maximum distribution of air throughout your room
