DESCRIPTION

The Australian Original FANAWAY Fraser Oil Rub Bronze with Amber Blades is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, transforming the unit into a stylish linen drum light pendant. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into all rooms of you home. The fan comes with a dimmable LED light, 3 speed remote control, winter/summer mode and wall mount for you to personalize your experience. The star of this Fanaway design is the light kit which has a hand-crafted white PVC linen shade that is not only beautiful but easy to clean. The frosted acrylic diffuser at the bottom softens the glare of light and guarantees gentler illumination.
