DESCRIPTION

The Australian Original FANAWAY Carbondale in Gray Silver with Clear Blades is a patented, advanced ceiling fan with unique aesthetics and energy-efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, transforming the unit into a modern industrial pendant. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into all rooms of your home. The fan comes with 3 dimmable LED vintage bulbs, 3-speed remote control, winter/summer mode, and a wall-mount for you to personalize your experience. The star of this Fanaway design is the light kit which has a hand-crafted industrial cage.
