

Fanaway Xiao and Leah Remote Control

\$19.99

DESCRIPTION

Our Fanaway 3 speed Remote transmitter gives you total wireless control over your Fanaway Ceiling Fan. The low, medium, and high settings allow you to select the desired speed for your fan from anywhere in the room. There are also easy-to-read buttons to adjust the light setting and to turn your Fanaway off. A dimmer function is also included to help set the perfect ambiance in your room. This remote is compatible with all our Fanaway models and includes a wall mount holder. This remote transmitter is compatible with the Xiao, Aura, Fraser II, Halo, and Luna models.
