\$359.99

DESCRIPTION

Fanaway Mya 36 inch, low profile or hugger, retractable 4-blade ceiling fan and with dimmable LED light kit in Chrome, includes 3-speed remote control, with dimmable function, on/off light button and wall mount kit. The Fanaway Mya is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, and visually the unit transforms into a slim, light pendant. Turning the fan on creates a centrifugal force which deploys the blades to circulate air within a room. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into most living interiors with low ceilings. The star of this Fanaway design is the simple light kit that will enhance any decor. Fanaway US patents and Design Registrations current.
